

Tube Trains Activity!

This activity is perfect for when you're stuck inside or are just looking for something to do with all those leftover toilet paper rolls!

Supplies

- ☐ 3-4 Toilet Paper Rolls
- ☐ 2-3 Pipe Cleaners
- ☐ 12-16 milk or soda bottle lids (cardboard wheels work too!)
- ☐ Scissors
- ☐ Glue
- ☐ Hole Punch
- ☐ Paint, Crayons, or Markers

Instructions

1. Color or paint your toilet paper rolls. Allow to dry.
2. To make the smokestack, take one roll, pinch the end together, and cut a "C" shape.
3. Use the hole punch to punch holes in the rolls, and use the pipe cleaners to link the train cars together.
4. Glue on smokestacks and wheels. Allow to dry.
5. Once everything is dry, your train is ready!
You can also add more decorations, including windows, a name for the train, or wherever your imagination takes you!
